

## Christmas Party

Tuesday December 16, 2025  
Mike Rodden Arena - 450 Hurdman St Mattawa ON  
5:00 pm – 7:00 pm

Please join the Métis Family Wellbeing Program and the Aging at Home program for a Christmas Party. This event is geared toward families of all ages. We will be creating Christmas Crafts, sharing stories of Christmas. This is a great opportunity for those to come out and meet other community members and families and share some Christmas cheer. We will also have board games for the youths. There will be a meal, drinks and dessert served. At the end of the event there will be a gift basket draw. There are limited seats available so please register by December 5. Please contact Mark Burns in the contact section to register.
